Preservation Buffalo Niagara extends heartfelt thanks to all our sponsors, advertisers, patrons, members, and guests without whose support there would be no Annual Preservation Awards Luncheon. Our gratitude also goes to Luncheon co-chairs, Joe Eicheldinger and R. Maura Cohen, luncheon coordinator extraordinaire, for their time and energy; to the Awards Panel for their deliberations; and to PBN Trustee Charles LaChiusa for his slide presentation. And to all those whom we honor today, without whom there would be no need for awards, Congratulations and Thank You for your commitment to preservation!
